Dear Friends at Salem,

Thank you for your gift of \$450.00.

Greetings from Wapo, Ox Lake and Wilderness Canoe Base! Our theme for 2020 is **HopeFULL: God's Unwavering Promise**. Romans 15:13 says "May the God of hope fill you with joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit".

This theme seems particularly appropriate for these uncertain and anxious days, wouldn't you agree? In the midst of a health crisis, community unrest, and the many challenges and distractions in life, it can sometimes be difficult to find hope. But God's abounding love transforms our difficulties into beautiful stories of grace and forgiveness. We are **HopeFULL** because we hold steadfast to God's promises in Christ Jesus.

Thank you for trusting in our mission, **Places of Grace Forming People of Faith**, and supporting this ministry with your financial gifts and prayers of support. We are praying for you, your families, your churches and your communities. God is with you during these challenging and strange days.

Thank you for recognizing the importance and the impact of camp. YOU are investing in making a difference at Wapo, Ox Lake, and Wilderness Canoe Base!

Gratefully,

Heather
