Dear sponsor, Salem Lutheran Church.

I send you a cordial greeting wishing you get much success at your daily work and blessings along your dear family.

I am your sponsored friend Oliver Romandam Guch Coroxon. I tell you about the wonderful things I lived at the end of 2021 along my family. We shared a lot having tamales, hot chocolate and hot fruit drink. We had great time and said a prayer for the birth of child Jesus at midnight of 24<sup>th</sup> and 31<sup>st</sup> of December.

I also finished my vacations working along my parents and helping them to get some provisions every day. As 2022 has started, I also started the year of my studies. I started to get everything ready because this is going to be the last year in my studies of High School. I am going to get homework too. I am going to do internship about mechanic. Pandemic has affected us in the entire world but we keep following all regulations.

Thank to our Heavenly Father, my family and I are healthy and we do not have any problem. We are always close and doing activities at church of my community. We pray God shower many blessings over all of us and make possible I can become a professional to benefit the society.

This is all by now, I leave you with strong hugs. May our Lord God shower many blessings over you.

Sincerely, your sponsored friend,

Oliver Romandam Guch Coroxon.
