MENTAL HEALTH RESOURCES IN DAKOTA COUNTY

MENTAL HEALTH SERVICES 651-554-6424

Adult mental health is a voluntary service available to those who qualify.

We gather basic information about what you need and talk with you about your options and next steps.

We want to hear directly from the person who needs help. We will determine your eligibility and find resources and options available to you.

If preferred, you can call or walk-in with a relative or friend to support you. Walk-in hours: Monday - Friday 8:00 a.m. – 4:00 p.m.

If you have health insurance (private insurance, Medical Assistance, Minnesota Care, Medicare or PMAP), please check with your health care plan for information about access to mental health services.
